Are you working today? Still want to do lunch? I can fill you in about the call.

Subject: Yesterday & update

Shelly,

I'm so sorry about not being there for the conference call yesterday. I really wanted to be, but my body had other ideas. I spent most of the day in bed and my fever didn't break until early evening. Luckily I woke up this morning and felt a lot better. By the way the document I was waiting for came in.
